Your Scheduled Flight Information

Important information about your scheduled flights.

Attached to this sheet are all of your *Flight e-Tickets* for your holiday.

Check-in

Please follow airline guidelines on check-in times. If you are travelling long-haul direct to a destination (e.g. Glasgow to Dubai), we would advise you check-in 3 hours prior to the departure time of your flight. If you are flying via a European route (e.g. Manchester to Heathrow to Miami), then we would advise you checked in 2 hours prior to the departure time of your flight. Please make sure you arrive at your departure gate well before the advised time of your airline - *failure to do this may result in you being refused boarding.*

Seat Assignment

Depending on the airline, you can usually pre-book your flight seats and check in 24 hours before travel free of charge. It may be possible to pay an additional fee direct to the airline to book seats earlier than this. Your airline locator is on your tickets and you will be able to view your reservation and manage your booking before travel. We advise all guests to make sure their passport (API) details and contact details are in their flight booking before travel and to make sure they have pre-checked-in before travel.

Baggage Allowance

Depending on the airline and destination you will have a baggage allowance of between 20-30kg per guest plus hand luggage (excluding infants who have not prepaid for a seat). As airlines change their baggage luggage policy frequently we advise you to view the most up to date information on the appropriate airline's website before travel.

Need Assistance?

If any of your group require extra assistance on your flights please can you call the Cruise365 Reservations Team on 01388-767-222 before travel and we will try our best to help you.
